Dear Lushner:

First of all I am trying to get the OK on the May 25th date in New York for the EAGLES and the Yankees. Please put it in your schedule in case the park OK's the date you will not have booked them somewhere else.

Next, are you going to send any teams to Massachusetts this year? If so, it is possible we could go June 4th, 5th and 6th or June 19th, 20th and 21st. We also have the following dates available for Bushwicks, May 23rd, June 6th, 8th, 20th and 27th. Would appreciate knowing if any of these will be filled.

Do you happen to have a picture of "Showboat" around? Would like to have it for opening day publicity.

Very truly yours,
